

ENROLLMENT MANAGEMENT SOLUTIONS

Enrollment Management Solutions, LLC provides support and consultation for admissions offices and enrollment management units. With 25 years of experience at both private and public institutions, EMS can assist with everything from creating one-stop shop environments to assessing front and back-end functions to helping identify efficiencies and improving outcomes.

SERVICES AVAILABLE INCLUDE

- One Stop shop conceptualization
- Assess current admissions practices and recruitment strategies
- Market analysis
- Communication plan assessment and development
- Staff training
- Short-term interim support for admissions and enrollment management positions

WHY EMS?

Partnering with *Enrollment Management Solutions, LLC* is a cost-effective way to address your needs. EMS does not have a preset list of prices. Together, we will create a plan and budget to move you forward and achieve your goals.
